WHAT TO EXPECT

SOCIAL DISTANCING AND ADDITIONAL HEALTH & HYGIENE MEASURES WILL BE IN PLACE!

The health & safety of everyone attending the show is our number one priority! While our "Goodguys Cares" health & safety guidelines provide a general outline of how to prepare to attend a Goodguys show, the following specific measures will be in effect and enforced throughout the weekend at the Goodguys 1st RaceDeck Salt Lake Nationals:

SOCIAL DISTANCING: We ask all attendees to exercise personal responsibility and do their best to maintain a 6 ft. distance between themselves and other non-immediate-household members of their family at all times. Goodguys and the Utah State Fairpark will provide social distancing markers in high traffic areas including building and restroom entrances, shopping and food vendor zones and other applicable areas of the show. Additionally, certain indoor areas of the show will have capacity limits to allow for proper social distancing, so please be patient and understanding, as there may be short waiting times to enter a building. Lastly, we ask all registered participants to keep a minimum distance of 10 ft. between your vehicle and the next parked vehicle in the general Show & Shine areas of the show.
